NOTICE

Subject: Re-evaluation of MCA 5th Semester (System Programming)

With regard to the above cited subject all those students who had given representations for re-evaluation of their System Programming papers and were not satisfied with the evaluation are hereby informed to approach PG Department of Computer Sciences by 7th of June, 2017 with their individual representations giving reasons for not being satisfied with the evaluation. Students need to explain which questions were not evaluated properly, what explanation was provided by the faculty member and why students are not satisfied with the explanation of the faculty member.
